NATURAL BUDGIES FEED

INGREDIENTS:

Cream Millet, Yellow Millet, White Millet, Red Millet, Niger Seed, Bird Seed.

CARE AND FEEDING:

Budgies are a member of the parrot family. These very cute birds are birds that need friendship and love. We recommend that you do not lose your interest, talk and play with your birds. Do not keep it in windy environments and do not expose it to air currents as much as possible. Keep simple toys in their cages to keep them entertained on their own. We recommend that you keep a beak stone or similar product in their cage so that they can sharpen their beak. Make sure they sleep in a quiet and dark environment at night, since they determine their own feed consumption, clean their feed bowls frequently and make sure there is always NICKY VITAMIN BUDGET FOOD available. Do not forget to always keep clean water in their water bowls.

PLACE AND METHOD OF USE:

It is used only for feeding the birds. The feed containers of the birds should be cleaned and feed should be placed at least once every 2 days.

FEEDING RECOMMENDATION:

Per each bird about 10gr (1 table spoon) daily.

WARNINGS:

Production date, expiration date and batch number are on the packaging. Keep it tightly closed in a dry and cool environment. It should not be used as human food.

It is a complete mixed feed consisting of various grains and seeds of high quality that budgies need.
